

August / September 2011 – Sweet Briar POA Meeting

- **Pool**
 - Will be closed at 4pm each weekday through August 26th due to lack of lifeguard coverage
 - Adults will not be allowed to swim even with waiver due to liability issues
- **Pizza Kits**
 - Final order date is August 16
 - Delivery date August 23
- **Stop Sign**
 - Police have set up traffic trap at Sweet Briar and Touchstone
 - Numerous PO's have received tickets
 - Board sent out email cautioning property owners
 - Negative response from few community members
 - However, police refuse to respond to actual problems with our community (continued vandalism, drugs being sold in park, night time harassment of various PO's) so the board feels it is unfair for them to generate funds from our members
