

Sweetbriar POA Meeting Notes – May 2012

Pool:

- Board has decided to manage the lifeguards for the 2012 season rather than having this done by Indianapolis Pool Management.
 - Negative overall impression and concerning feedback from prior lifeguards who interviewed / attended training with Indianapolis Pool Management.
- Pool codes have been issued.
- Fence by baby pool needed repair.

Overall Neighborhood Appearance:

- Town of Fishers now has a procedure for lawns that are not maintained.
 - Board can gather the addresses that we would like the town to inspect and call 595-3160 and give her the addresses.
 - They come out and inspect the properties. If the grass is taller than 8", they will send a certified letter to the property owners listed on the property card.
 - If in 5 days they have no response, they will send staff out to inspect to see if the grass has been mowed
 - If it has not been mowed, they will mow it the following Friday.
 - The bill will be sent to the owner listed on the property card. If it is not paid, they will put a lien on the house.
