Grant Approval

We are excited to announce Sweet Briar was awarded a grant of \$5000 to help offset the cost of our entrance rebuild.

Reminder

School is out and that means more kids will be out and about. Please slow down and be cautious of all our young neighbors.

Food Trucks

Do you have a favorite food truck you want to come to the neighborhood?

Trucks can be scheduled without board approval provided there is not a fee that will be charged to the POA.

Please share dates and times via Facebook or email the board so we can post.

Thank You

Special thanks to Eric Freuchtel for fixing the ropes on the playground climbing wall. Also, a shout out to Darryl Taulbee for all the projects you have done for the neighborhood recently.
