

# Sweet Briar

## POA Newsletter

1<sup>st</sup> Quarter

2022

### Neighborhood Updates

- Heather Rollag retires from board.
- Sherry Taulbee is now Treasurer.
- Welcome Julie Kane as Sweet Briar President
- Annual Assessment due March 31<sup>st</sup>, 2022

### Board Members

President: Julie Kane  
VP: Loree Marroquin  
Secretary: Jerica Hernandez  
Treasurer: Sherry Taulbee

### Grant Submitted

We are pleased to announce we have submitted another grant application that we are hopeful will be approved to assist with offsetting the cost of resurfacing the walking path.

### Trees in the Park

Several neighbors have expressed interest in having new trees planted in the park. The board is looking for a volunteer to head up the project. If interested, please contact the board.

### 2022 Budget

Please note the budget for 2022 is attached with your annual dues assessment.

The annual meeting was moved to the fall to allow neighbors to weigh in on budget items prior to it being finalized and to allow a smoother transition when board members change.

If you have any questions, feel free to contact the board.

### Thank You

Special thanks to Dave Hulen for clearing the paths in the park after the snow came down and blanketed the park in white.

## Community Bulletin

- Violation letters will be sent in the spring. Please make requested updates as quickly as possible and notify the board when completed. As a reminder, residents must be in good standing to access the pool. This includes annual fees and outstanding cited violations.
- Want to help your neighborhood but not sure what you can do? We always need volunteers. The following is a list of just a few ideas but feel free to reach out and get involved in any way you would like:
  - Head up some fundraising events to offset the capital improvement items in the budget over the next few years. (e.g., playground and walking trail)
  - Lead a community event. (e.g., Easter egg hunt, summer kick off, summer wrap-up, Halloween costume contest)
  - Organize and plan the addition of tree(s) to the park.

## FAQ

### Where can I find information about mailboxes?

Visit our website for specifications regarding mailboxes.

<https://sweetbriarfishers.com/mailbox>

### Annual POA Dues
